

1. For the Centre to run a successful Competition Program for your children, 90 parents are required each week to assist in the smooth running of the Competition for our athletes.
2. It is the Centre policy for all parents joining the Centre to adhere to the following:
 - (a) **All parents, (or a nominated adult) including Tiny Tot Parents, are required to work on roster every second week and are required to register their names and sign on with the Officer for Officials at 7.30 am.**
 - (b) Children must be under supervision of their parent/caregiver at all times, whilst not competing. Athletes won't be allowed to compete if their parent/caregiver isn't present during competition.
3. So parents will know in advance for the season which weeks they are on roster, a coloured roster sheet will be given out at registration setting out the dates for their duty.
4. If a parent/caregiver does not attend or arrange for someone to take their place on a day they are rostered on and their child/children compete on that day, an email will be forwarded by the Centre advising that no point score tickets or results will apply for the child/children on that day. **If there is a third instance athletes will no longer be eligible to participate in the Centre Championships, Centre Multi or be a member of our State Relay Team.** Therefore it is important that parents/caregivers ensure roster commitments are met. Further information can be obtained from the Officer for Officials.
5. It is the responsibility of the parent/caregiver to ensure that if their child/children are selected to represent the Centre, they shall do so and the parents/caregivers are required to assist in duties for that particular competition e.g. State Relays, Zone, Region, State and State Multi. When entering for Zone and other events, parents will be allocated a duty to fulfill.
6. All parents/caregivers of athletes competing in the javelin (U/11 to U/17) must assist in the running of this event.
7. Parents/Caregivers will abide by the rules set out in the Behavioural Guidelines in the Little Athletics NSW Calendar of Events 2017/2018 and on the website at littleathletics.com.au
8. If you have any experience in officiating any events with Little Athletics, could you please inform the Officer for Officials.
9. **By signing this form the Parent/Caregiver agrees to assist at Centre Competition every second week and at Special Championships and Events as nominated and applicable.**
